

**Mission:** BodyTalk South Dakota exists as a non-profit organization to promote education, community service, lay-person training and practitioner support within the BodyTalk System.

Ask how you can help!

**PURPOSE:** BodyTalk South Dakota serves the public through education, community service, sponsoring classes, providing resources, connecting clients and practitioners, supporting members, and spreading the health benefits of the BodyTalk system throughout South Dakota and surrounding areas.

**VISION:** BodyTalk South Dakota's vision is for all South Dakotans to become aware of the BodyTalk system of complementary health care, with an opportunity to observe and experience its beneficial ripple effects throughout individuals, families and communities.

For more information about what BodyTalk South Dakota offers or to share what you would like to offer, please visit our website or call one of our officers or leaders:

Melanie Palm – President – 484-6765

Jennifer Utter – Secretary – 786-3974
